

WEBSITE PRIVACY POLICY

Dear User, **Riva Industria Mobili S.p.a.** cares for the privacy of the Users. The data that may be communicated by the User through the Site will be treated with the utmost care and with all the tools to ensure security, in full compliance with current legislation to protect the confidentiality of the data. We would like to inform you that the European Regulation 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data ("GDPR" from now on) provides user protection, with particular regard to personal data processing. According to article 13, we inform You that:

	A. CATEGORIES OF DATA: object of the processing may be your personal data such as: a. Data collected automatically. The computer systems and applications dedicated to the operation of this website detect, during their normal operation, some data (the transmission of which is implicit in the use of Internet communication protocols) potentially associated with identifiable users. The data collected includes the IP addresses and domain names of the computers used by users who connect to the site, the addresses in URI (Uniform Resource Identifier) notation of the requested resources, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters concerning the operating system, the browser and the computer environment used by the user, name of the internet service provider (ISP), date and time of visit, web page of origin of the visitor (referral) and exit. b. Data provided voluntarily by the user. The voluntary and explicit sending of e-mails to the addresses indicated in the different access channels of this site does not imply a request for consent and involves the acquisition of the sender's address and data, necessary to respond to requests, as well as any other personal data included in the message. These data are voluntarily provided by the user at the time of the request for the provision of the service. By entering a comment or other information, the user expressly accepts the privacy policy, and in particular consents that the contents inserted are freely disseminated to third parties. On the contrary, specific summary information will be reported or displayed on the pages of the site prepared for particular services on request (form). The user must therefore explicitly consent to the use of the data contained in these forms in order to send the request. c. Cookies. The site uses cookies. The data collected thanks to cookies can be used to access parts of the site or for statistical purposes or to make the browsing experience more pleasant and more efficient in the future, trying to evaluate the behavior of users and to modify the offer of content according to their behavior. For more information, a special cookie policy is available. d. Plug-ins. The site incorporates plugins and/or buttons for social networks, in order to allow easy sharing of content on your favorite social networks. These plug-ins are programmed so as not to set any cookies when accessing the page, to safeguard the privacy of users. If necessary, cookies are set, if so provided by social networks, only when the user makes effective and voluntary use of the plug-in. Please note that if the user navigates being logged into the social network, then he has already consented to the use of cookies conveyed through this site at the time of registration to the social network. The collection and use of information obtained through the plug-in is governed by the respective privacy policies of the social networks, to which please refer.
